

Eric Figueroa, a graduate of CMC in 1992 with a degree in Economics and Government, is dedicated to improving the quality of life for others and building community. This commitment, along with a politically active family, led him to a career in public service. Eric's work in local government first began as a private sector financial analyst at HdL Coren & Cone where he worked for local government clients through the state. After graduating with an MBA from the Haas School of Business at UC Berkeley in 1998, Eric spent three years working in the private sector before returning to his roots in local government. Eric currently serves as the City Manager for the City of Martinez and previously served as the Assistant to the City Manager for the City of San Leandro, the Public Affairs Manager for the League of California Cities and the Assistant City Manager for the City of San Ramon.

Eric is actively involved in professional organizations serving the City Manager Profession. In 2005 Eric was the president of the Municipal Management Association of Northern California and is an active member of the California City Management Foundation, serving on the Board of Directors in 2006 and 2020. Eric currently serves the President Elect for the City Managers Department of the League of California Cities, as statewide organization supporting local government.
